

# S-09-GF

# GLASS MEDIA FILTER

## Single Glass AFM Media Filter

Superior sediment filtration removing up to 95% of particles down to 1 micron. As well as the efficient removal of hydrophobic hydrocarbons (oil & fats) organics and Microplastics.

## GLASS MEDIA FILTER

## FEATURES

- Save time and reduce labour costs with this preassembled kit
- Easy to order with a single product code
- Reduce equipment maintenance costs with the No Unfiltered Water Bypass Valve option
- Choice of different metered control options
- Save on costs with fewer media replacements with separate source backwash option
- Suitable for any site application with flexible filter configurations
- Reduced downtime with sequential or parallel controls for multiple filters
